December 2016

A Newsletter for Highland Community Residential Services

FROM THE EXECUTIVE DIRECTOR

We welcomed five new people to the HCRS Community – Paige, Cathy, Blake, David and Kate. We also grieved and said our final goodbyes to Susie and Scott. We bought and renovated 283 Elm Street and 40 Roderick Street. We have also welcomed a lot of people to work at HCRS as the agency grew. These are just a few of the list of things that made for a very busy year at HCRS. As the year draws to a close I hope that 2016 holds good memories for everyone as we all prepare to celebrate Christmas. HCRS will be turning 40 in the new-year. Plans are now being made to celebrate the 40th anniversary. We will be looking for volunteers to help with anniversary projects big and small.

I wish you all a very merry Christmas.

Cheers!

Hilary.

REMEMBERING...

*You
God Choose you, in his plan for me
A gift given for my journey you see
He knew it would be hard done alone
I would need your love
and kindness shown
You helped me with the everyday stuff
My coffee, my apron, and the
things I found tough
And when I grew tired and
you had to let go
You were with me,
Remember God chose you so*
